Only Registry-Approved Ag Carbon Credits

Carbon by Indigo is the only third-party, registry-approved agricultural carbon credit program in the U.S.

Extensive Program Eligibility

The program is available in 28 states. Both owned and leased land qualify, and many row crops are eligible.

Get Paid in Cash

With Carbon by Indigo, you receive cash for Carbon credits, paid out over five years. There is no fee to participate in the program.

Many Practices Qualify

Many farming practices qualify for the program, and the list is anticipated to continue growing over time.

Capture the Highest Prices for your Carbon

With Carbon by Indigo, you are producing the highest quality ag carbon credits on the market, which in turn commands the highest prices.

We're Here to Support

We support every step of your Carbon journey. We offer many support services, from agronomic advice to decision-making tools and more.

A number of variables can affect outcomes on any particular land. Indigo does not guarantee any results with respect to agronomic outcomes, financial or profitability outcomes, carbon dioxide equivalents sequestered, carbon credits generated or amount or eligibility of payments with respect to any individual landowner or operator. Website for promotional purposes only. Additional terms apply. Participation and enrollment in Carbon by Indigo is subject to eligibility requirements and acceptance of program terms and conditions.
